TEX IM

20-21-22 April

TEX4IM

Final conference

TEX4IM On-line Final Conference

April 20 - 21 - 22, 2021

3 webinars of 1 hour in the afternoon

During this widespread event, you will have the occasion to participate to webinars about TEX4IM portfolio of opportunities, circular economy and digital transition in the textile industry.

The participants will also learn about the technical support that TEX4IM project will provide to the development of business co-operations, up to the definition of a solid business plan.

The final conference is a great opportunity to be informed about the results achieved during the 24 months of the TEX4IM project journey.

More info: www.tex4im.eu

The event will be organised by ASTRICONE and it will take place on-line, the platform will be announced with the offivial agenda.
